Обоснование (1)

Igor Sechin is CEO of Rosneft, Russian state oil company and one of the world's largest crude oil producers. He is one of Vladimir Putin's most trusted and closest advisors, as well as his personal friend. He has been in contact with the Russian President on a daily basis. He is considered to be one of the most powerful members of the Russian political elite. His connections to Vladimir Putin are long and deep. He worked with the President in the St Petersburg mayor's office in the 1990s and has proved his loyalty ever since. In 1999 Mr Sechin became Vladimir Putin's deputy head of his administration, in 2008 deputy Prime Minister, and in 2012 Rosneft's CEO. He is one of the Russian oligarchs operating in partnership with the Russian state. 28.2.2022 He is among those people from Putin's circle who receive financial gains and important assignments in return for subordination and loyalty. He has been tasked with important and difficult tasks by the President and rewarded with Rosneft leadership and great wealth. Igor Sechin's Rosneft was involved in financing the vineyards of the palace complex near Gelendzhik, which is considered to be personally used by President Putin. Therefore he actively supported materially or financially and benefited from Russian decision-makers responsible for the annexation of Crimea and the destabilisation of Ukraine. Furthermore, Rosneft Aero, a subsidiary of Rosneft of which Mr Sechin is CEO, delivers jet fuel to the Simferopol Airport which provides air flight connection between the territory of the illegally annexed Crimea and Sevastopol and Russia. Therefore he is supporting the consolidation of the illegally annexed Crimean peninsula into the Russian Federation, which in turn further undermines the territorial integrity, sovereignty and independence of Ukraine.
