#### Обоснование (3)

In his position as Head of the Main Internal Affairs Directorate of the Minsk City Executive Committee and Major-General of Police, Ivan Kubrakov was responsible for the repression and intimidation campaign led by police forces in the wake of the 2020 presidential election. Following his appointment as Minister of Internal Affairs in October 2020, Kubrakov is responsible for all law enforcement agencies operating under the aegis of the Ministry of Internal Affairs, including the Special Rapid Response Unit (SOBR); the Special Purpose Police Detachment (OMON/AMAP); the Main Directorate for Combatting Organised Crime and Corruption (GUBOPiK) and the paramilitary MVD Internal Troops. SOBR and OMON units were at the forefront of the use of violence to repress peaceful demonstrators following the 9 August 2020 presidential election, including after Kubrakov's appointment. Since Kubrakov's appointment, GUBOPiK has continued to carry out raids on the homes and offices of journalists, political activists and human rights defenders. GUBOPiK officers were also involved in the arrest of journalist Roman Protasevich and his partner Sofia Sapega following the forced diversion by the Belarusian regime of Ryanair flight FR4978 on 23 May 2021. In his role as Minister of Internal Affairs, Kubrakov bears responsibility for the serious human rights violations and repression of civil society or democratic opposition in Belarus carried out by law enforcement agencies.

In his position as Head of the Main Internal Affairs Directorate of the Minsk City Executive Committee and Major-General of Police, Ivan Kubrakou is responsible for the repression and intimidation campaign led by police forces in the wake of the 2020 presidential election.

In his position as Minister of Defence of Belarus since 20 January 2020, Viktor Khrenin is responsible for the decision taken by the Command of the Air Forces and Air Defence Forces for the order dispatching military aircraft to intercept passenger flight FR4978 and compel its landing at Minsk airport, without proper justification, on 23 May 2021. In doing so, Khrenin acted at the direction of Alexander Lukashenko and in conjunction with the Belarusian aviation authorities. This resulted in the forced redirection of flight FR4978, the detention of the aircraft, its passengers and the crew, and the arrest of opposition journalist and civil society actor Roman Protasevich and Protasevich's partner, Sofia Sapega. This politically motivated decision was aimed at arresting and detaining opposition journalist Protasevich and Sapega and constitutes a form of repression against civil society and democratic opposition in Belarus. Viktor Khrenin is therefore responsible for the repression of civil society and democratic opposition in Belarus and so undermined democracy and the rule of law there.
