Обоснование (3)

Second Vice President of the Supreme Court of Justice and former President of the Constitutional Chamber. As Vice President of the Supreme Court of Justice (TSJ), there are reasonable grounds to suspect that Mendoza Jover has been involved in repeatedly undermining democracy and the rule of law in Venezuela. The TSJ deprived the legitimate governing body, the National Assembly (AN), of its constitutional powers through several rulings, including through nullifying decisions of the National Assembly Board, nullifying the Democratic Transition Act, and stripping immunity from members of Parliament. Mendoza Jover has sat as a judge for these decisions, and bears responsibility for these grave attacks on democracy.
